Cleaning out your closets?

If you have left over items from the garage sale or don't want to bother with a garage sale but still want to clean your closets.....we can help you!!

On Sunday, September 30 we will pick up your unwanted items and haul them off for you. All you have to do is place the items in 33 gal trash bags and leave them outside. Please take tags and hangers off clothes before putting them in the bags.

Simply email your address to jen.mun@live.com for pick up.

Your donation is tax deductible & we will provide you with a tax receipt at time of pick up.

Thank you for your support!!
